ANTI-MONEY LAUNDERING ONLINE TRAINING

Regulatory-Approved. Convenient. On-Demand.

Stay compliant with AMLA regulations and train your team with immersive, accredited AML/CFT e-learning. Whether you're a financial institution,real estate professional, fintech company, casino, or covered person under AMLC, this course is designed for you.

WHO SHOULD ENROLL?

According to the Implementing Rules of the AMLA (2001) and Bangko Sentral ng Pilipinas (BSP) requirements:

- Company Directors, Officers, Compliance Heads
- Real Estate Brokers/Developers, Pawnshops
- FinTechs, Electronic Money Issuers, VASPs
- Offshore Gaming Operators and OGO Service Providers
- Anyone handling customer ID documents or transaction monitoring

WHY TAKE AML CERTIFIED TRAINING?

- AMLC- and PAGCOR-Accredited
- 100% Online, Self-Paced – Complete training anywhere, anytime
- Progress Tracking & Reports – Ideal for corporate teams
- Unlimited Exam Attempts – Pass at your pace (80% to certify)
- 6-month Access with Free Course Updates
- Auto-Issued Certificate Upon Completion

AVAILABLE COURSES

AML/CFT Immersive Courses

1 AML Fundamentals (3hrs)
For frontliners, and Covered Persons who require foundational AML/CFT knowledge

2 AML Comprehensive (3hrs 45mins)
Designed for professionals who report to AMLC. Covers reporting obligations, Counter-Terrorism Financing (CTF), and AMLC Registration & Reporting Guidelines (ARRG).

3 AML Advanced (5hrs)
Ideal for managers and compliance officers. Focuses on risk assessment, recordkeeping, beneficial ownership, and implementing compliance across the organization.

4 AML Mastery (5hrs 45mins)
Recommended for senior officers and directors. Delivers in-depth training on AML laws, terrorism financing prevention, financial sanctions, and advanced KYC strategies.

AML Industry-Specific & Regulatory Courses

1 AML/CFT Essentials for Real Estate (45mins)
A core training designed for real estate professionals.

2 Casino Implementing Rules and Regulations (IRR) (1hr 20mins)
Covers AMLbasics and regulatory responsibilities for professionals in the gaming industry under PAGCOR guidelines.

3 AMLC ARRG + GoTRACS (45mins)
Practical training on AMLC's reporting systems, including the ARRG framework and hands-on GoTRACS submission.

4 Detecting Forged IDs and Documents (DFID) (1hr 20mins)
Critical for frontline staff and KYC teams, this course trains learners to detect document fraud and identity tampering often linked to money laundering.
